

## Wedge and Linden Hills Co-op Store Council Application

*The core function of the store councils is to enhance communication and cooperation between the governing board and owners and to deepen the co-ops' commitment to the greater communities they serve. Store council members will work closely with the ownership committee and marketing team to connect with their surrounding neighborhoods, to promote familiarity with the co-op, to listen and learn about community needs, and to encourage new and diverse shoppers and membership. There will be two store councils: one for the Wedge/Wedge Table and one for Linden Hills Co-op. Store council members will serve up to 3 year terms.*

Name:

Owner Number:

Which store council would you like to serve on?

Why are you interested in the store council role?

What experience, knowledge or education would you bring to the store council?

What are your ideas for advocating for and spreading the word about our co-ops in our community?

Why are co-ops important to you?

Are you willing and able to attend quarterly store council meetings and up to 2 outreach events per month, primarily during nights and weekends?
